

# CATERING

*We believe a fantastic food and beverage experience is an important part of making your event extra special. That is why we have selected caterers capable of providing exceptional service and menu selection. The caterers on this list will be familiar with our facility and dedicated to being an extension of the wonderful experience you will enjoy here at The Wexford at Emerald Greens.*

## *Our Catering Partners*

We have partnered with a select list of caterers to bring our clients an outstanding selection of full-service catering options. Offering a variety of food options and prices, clients can choose what best works with the vision for their event. Each caterer will assist you in selecting the best service style and menu that your guests will enjoy. These caterers offer plated or buffet service, including linens and table settings. Our catering partners are excited to work with you. Please reach out to them directly to start the planning process.
